

# High School Connectivity Form | Technology / Classroom / Area Technology Center / YCC Office

This form will assist with **YCC Cost Sharing** on Connectivity/Classroom/Office usage. The chart below is based on an average from the 10 YCC High Schools when covering technology usage, resources, classrooms, and equipment not covered by YCC funds. Documentation of all calculations can be viewed at <http://ycc10.webs.com/ycc-procedures> (Revised 07.06.2015)

# of Students	Total Amount / Month	Estimate the number of students that are enrolled into your YCC program for the 2015-2016 school year.  Round your total number up to the next multiple of 5.  For example if you have 43 students, you would round up to 45.  Calculations are correlated with the number of students along with the number of classrooms being used per month.	# of Students	Total Amount / Month
