4	Application toward Real World

Mentorships | KEDC Youth Career Connect | Project ACHIEVE | Revised 07.31.2018

Learner Outcome(s):

As a result of participating in this mentorship, I will be able to identify skills toward work-based learning and apply this knowledge for my future in college, careers, and for employment. Each quarter, both my employer and school mentor will work with me through informal and formal meetings, working toward mastery for real world applications.
